Dear Senator Robb:

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Thank you for your letter on behalf of C. Todd Drunagel of Stephens City, Virginia. Your constituent objects to rate increases by his local cable television operator.

The Commission has a clear understanding that Congress adopted the Cable Act of 1992 to constrain unreasonable cable rates. The Commission is in the

Something must be done!  
They don't respond to my  
letters nor do they return  
my phone calls. Perhaps you'd  
like to try. (814) 274-9830

which channels we want. Remember the saying "Listen to the customer"? If you won't do that, perhaps you could take votes on the channels that people watch, and votes of channels people want. But if you do, please listen to them. I'm sure you'll find more people want channels that they don't have compared to the ones they do have. I can certainly name 5 - 10 channels I never watch. BET for instance. Do you know that I'd be all but hung or shot if I started a channel called "White Entertainment Television", or "Caucasian Entertainment Television"?

What your company needs is a good ass whipping.

Sincerely,

Todd Drunagel
